## PLEASE READ BEFORE SUBMITTING

**You may only submit your application in its entirety via email. You cannot submit your application in separate parts. You will need to email all scanned documents and this completed application to [energytaxcredits@utah.gov](mailto:energytaxcredits@utah.gov). OED has the right to reject any applications submitted in parts and request the applicant re-submit their materials. *If you have any questions, please email [energytaxcredits@utah.gov](mailto:energytaxcredits@utah.gov)***

---

## Applicant Information

First Name:

Last Name:

Mailing Address (system address will be filled in later, this is your mailing address):

City:

State:

Postal Code:

Daytime Phone:

E-mail address:

Additional Taxpayer Name (if filing jointly):

**Applicant Information Continued:**

If Taxpayer is a business, please fill in the following information:

Business Name:

Tax ID Number:

Business Contact Name:

Business Contact Phone Number:

The taxpayer will claim this tax credit against:

Individual Income Tax

Corporate Franchise or Income Tax

Does the taxpayer own or lease the system?

Own

Lease

If the system is leased, please provide owner information below (otherwise leave blank):

Name:

Phone:

Address:

City:

State:

Postal Code:

## System Information

Date on which installation of the system was completed:

Is the system new, or an upgrade to an existing system?

New

Upgrade

Has a Utah renewable energy tax credit been previously claimed for this building or property?

Yes

No

Don't Know

If yes, please provide the following information:

Year credit was received:

Amount of credit received:

**System Information Continued:**

System Street Address (if different from Mailing Address, otherwise leave blank):

City:

State:

Postal Code:

If system location does not have a street address, please provide alternative location information. Location information must be sufficient to allow OED staff to be able to locate the system for on-site verification of the information described in the application.

Township:

Plat number/description:

GPS North (Degree, Minute, Second):

GPS West (Degree, Minute, Second):

If system is located at a home, is it a:

House

Apartment

Condominium

Other (specify \_\_\_\_\_)

If system is located at a business, is it a :

Office

Store

Factory

Other (specify \_\_\_\_\_)

The home is a:

Primary Residence

Secondary Residence

Total capacity of the system (kBtu/day):

The systems's solar collectors are:

Flat panel

Evacuated tube

Number of collectors:

List make and model of solar collectors ([http://gosolarcalifornia.org/links/equipment\\_links.php](http://gosolarcalifornia.org/links/equipment_links.php))

Make:

Model:

Orientation of the array (in degrees):

Tilt of the array (degrees from horizontal):

# System Cost

For the following section, the fields regarding eligible cost and financial assistance are required. If you choose to fill in the optional field for tax credit amount, please refer to Utah State Rule R362-2 (<https://rules.utah.gov/publicat/code/r362/r362-002.htm>) to follow as you fill out this section.

## Total eligible cost of system

May include: solar collectors, thermal storage devices such as tanks or heat sinks, and any duct work, piping, fans, pumps, or controls required to move heat from collectors to storage:

Did you receive a rebate, grant, or other financial assistance on your system?

Yes

No

If you received financial assistance on your system, list all sources and amounts below:

Source:

Amount:

Source:

Amount:

## Enter amount of tax credit that you wish to claim:

(see <https://rules.utah.gov/publicat/code/r362/r362-002.htm> for instructions)

### If Flat Panel:

Calculation for residential tax credit granted = ((Eligible system cost OR \$ .15 x rated output capacity in Btu/day, whichever is less) - Rebates) x 0.25. Or \$2,000, whichever is less.

Calculation for commercial tax credit granted = ((Eligible system cost OR \$ .15 x rated output capacity in Btu/day, whichever is less) - Rebates) x 0.10. Or \$50,000, whichever is less.

### If Evacuated Tube:

Calculation for residential tax credit granted = ((Eligible system cost OR \$ .27 x rated output capacity in Btu/day) - Rebates) x 0.25. Or \$2,000, whichever is less.

Calculation for commercial tax credit granted = ((Eligible system cost OR \$ .27 x rated output capacity in Btu/day) - Rebates) x 0.10. Or \$50,000, whichever is less.

## Project Installer Information

Installer Name:

Phone:

Street Address:

City:

State:

Postal Code:

Contractor License Number

License Type:

Was the system self-installed by the applicant?

(If yes, you must have the system inspected by a certified professional and include a receipt of the inspection in your documentation package.)

Yes

No

## System Certifier Information

(required if system was self-installed OR if installer was unable to certify the system, otherwise you can leave the certifier information blank):

Certifier Name:

Phone:

Certifier Street Address:

City:

State:

Postal Code:

Inspector License Number

License Type:

---

# System Documentation

The following three types of documentation must be attached in your solar thermal application package:

Check the boxes below to verify that you have included each item:

- 1) Detailed diagrams of the system as installed showing system components, how the system operates, and which components are eligible costs for computing the tax credit.
  - 2) Photographs or copies of photographs that show major system components, electrical interconnections with the electrical system, and any other components of the system that are eligible for the tax credit.
  - 3) Clear documentation of costs incurred for all components of the renewable energy system. The most applicable document is a copy of the final paid invoice.
- 

## Signature of Filer :

*I certify that the information provided in this application and the attached documentation is correct and true to the best of my knowledge. \*\*\*Note: If you are a contractor filling out an application for your client, the client must sign their form.*

Signature of Filer:

Date:

Signature of Joint Filer, if applicable:

Date:

---
