WELL WORKOVER AND RECOMPLETION TAX CREDIT

Oil and gas operators who perform a well recompletion or workover may be eligible for a non-refundable severance tax credit. For more information about qualifying expenses, contact the Utah Division of Oil, Gas, and Mining (DOGGM) at 801-538-5340.

Applications for the tax credit certificate require upload of DOGGM Form 15 showing expenses approved by the state, and other supporting documents.
